SYMPTOMS

SportsWare reports an error when filtering a custom report by a date field.

CAUSE

The reporting tool used by SportsWare reports an error if you attempt to filter on a date and the date field is blank.

RESOLUTION

Assume you are trying to filter on the Injury Date:

1. Move to the **Injury** database.
2. Click on the **Date** column to sort by date.
3. Scroll to the bottom of the listing screen. You will notice that last injuries listed are missing dates.
4. **Edit** each record adding the injury date.

STATUS

The above procedure corrects the problem.
