4. RESOLUTION

4.1. SportsWare2009

4.1.1. Use the Utilities, Remove Blanks command to set all blank dates to 1/1/1800.

4.2. SportsWare2008 and earlier.

4.2.1. Select the database (Injury, Treatment, Referral, etc...). Sort the listing by Date. Scroll to the top or bottom, you will see at least one blank date field. Fill in the correct dates and try to filter again by date.
