

Licensing SportsWare2009

1. License Screen

- 1.1. When you launch SportsWare for the first time you will be prompted to the License screen.

License

Demo Mode
SportsWare is running in Demo mode. You can enter up to 20 athletes and try every SportsWare feature.
If you are still evaluating SportsWare, press OK to continue.
If you have purchased SportsWare, follow the instructions for Receiving Your License Codes.

Receiving Your License Codes
If you have purchased SportsWare, please press the registration button and complete the registration form to obtain your license codes from CSMi.
Important information for network users.
The box below shows the current location of your SportsWare database. If you will be running SportsWare on a network you must move your database to the network before obtaining the license codes. To move your database, press OK to leave this screen and then review the topic on Networking in the SportsWare Help system.

C:\Documents and Settings\All Users\Documents\CSMi\SportsWare2009\Database\SportsWare2009.mdb

Codes for CSMi
